

Links with other subject areas

Wherever possible we aim to link the current area of study in French with other areas of the curriculum being studied. This could be as part of the current learning, or as an opportunity to revise and link back to previous learning.

Whilst language learning in Key Stage 1 is not statutory, children will start to build knowledge of language through their English learning and intercultural understanding through the study of different countries in Geography. As well as diversity and exploring different cultures through our PSHE and Values learning.

Children will learn and share simple greetings of languages of children in their class.

Teaching and Learning in FRENCH

Rooted in Faith, Growing in Community, Thriving in Learning

Love, Hope, Trust, Forgiveness

"Love one another as
I have loved you"
John 13:34

At John Keble Church of England Primary School, we are committed to providing the best possible educational outcomes for all children. We aim to ensure that children leave us with the French knowledge and skills specified within the National Curriculum:

<https://www.gov.uk/government/publications/national-curriculum-in-england-languages-programmes-of-study>

During their time here, children will learn French as the main focus of the study of a language. Alongside this, children will build up knowledge of language in general, by spotting patterns in words from many languages using clues from the etymology and morphology.

The French learning journey at our school:

We follow the Primary French Project.

This project covers learning from KS2 through to KS4 and all materials are available online. Language learning at Ampfield focuses on specific skills and these are applied in the context of different topic-based units. The skills we teach are:

*Being proficient in communicating ideas for different purposes, in spoken and written forms.

*Knowledge about Language

* Making connections between the culture of the country where the language is spoken and other countries.

Institut français du Royaume Uni

The project was conceived by IFRU, and all materials are freely downloadable from Culturethèque at www.culturetheque.com/EXPLOITATION/GBR/primary-french.aspx

Each French unit will focus on one or more **specific skills and subjects**. These are taught in stages, based on the colours of the French flag, the Tricolore.

Year 3- Niveau Bleu

Year 4- Niveau Blanc

Year 5- Niveau Rouge

Year 6- Niveau Tricolore

Each area is designed to be cover 4 main areas, as follows; Speaking and listening, reading and writing, grammar, and punctuation and spelling.

Each unit builds upon the skills learned in the previous unit, detailed below.

Adapting the curriculum for pupils with SEND in French

- At the start of lessons key vocabulary and facts will be revisited to help embed learning.
- Visual words mats will be used to help pre-teach new vocabulary prior to the lesson and children will revisit these words throughout the week to check for understanding.
- Regular check-ins to ensure children understand language, facts or concepts they may find challenging.
- Working walls display images and facts and are referred to regularly. Children are encouraged to use these if they are unsure in lessons.
- Widges, scaffolds and extra support will be given as and when necessary.
