WELCOME FROM THE HEADTEACHER

Welcome to John Keble Church of England Primary School.

We are a small school with a big heart, where every child is known, supported and encouraged to thrive in a calm and nurturing environment. Rooted in faith, growing in community and thriving in learning, we are proud to provide a caring and welcoming school where children feel confident, valued and inspired to achieve their very best.

As a Church of England school, our Christian faith underpins all that we do. Our core Christian values of Love, Trust, Forgiveness and Hope are at the heart of school life. We believe that every child is unique and should be encouraged to grow in confidence, develop a love of learning and become the best they can be.

Our dedicated staff work hard to provide children with the knowledge and skills they need to become successful later in life. We value the strong partnership we share with parents and families helping us to ensure that children are both happy and supported.

We look forward to welcoming you.

Mrs Amber Vidler
Headteacher

OUR MISSION

Our school is a happy, safe place to learn and grow. We strive to become the best we can be through our creative, vibrant and enriched curriculum.

Rooted in Faith, Growing in Community, Thriving in Learning.

OUR VALUES

LOVE

We believe our children should develop a love for learning through a topic based, engaging curriculum in an environment where all members of our school value and respect each other.

FORGIVENESS

We believe that we learn from making mistakes. We encourage our children to take risks and to challenge themselves in their learning. To love one another as Christ has loved us and to build learning on a foundation of trust, respect and forgiveness.

HOPE

We encourage our children to have a voice, accept uniqueness in themselves and others to help them recognise their own self-worth.

TRUST

We believe that all children should be encouraged to have the confidence to be the best they can be. We trust them to take responsibility for their learning, behaviour and actions at all times.

CURRICULUM

At John Keble, we provide a broad and engaging curriculum designed to give children the experiences, knowledge and academic skills they need to progress in life.

Our curriculum subjects include:

English, Mathematics, Science, Computing, Art, Design and Technology Geography, History, French, Music, PE, PSHE and Religious Education.

Pupils are encouraged to develop their knowledge, skills and confidence. The curriculum is underpinned by our school's values, inspiring our children to achieve their best, develop a love of learning and grow into confident and kind individuals.

EARLY YEARS FOUNDATION STAGE

Our EYFS and Year 1 curriculum is grounded in child development research and designed to nurture each child's natural curiosity through a child-centred, step-by-step approach.

Through continuous provision and carefully structured learning opportunities, we blend the EYFS framework with the National Curriculum to ensure progression in key areas of learning.

Our overarching topic themes provide meaningful context for exploration, questioning and creativity. This helps our children to develop the knowledge, skills and dispositions they need for future success.

The learning steps of the EYFS curriculum ensure that our children progress smoothly into Year 2.

SPIRITUAL LIFE

As a Church of England School, we warmly welcome and value children and families of all faiths and none. Our school life is enriched by our Christian foundation, while recognising and respecting the diverse beliefs, backgrounds and traditions within our community.

Daily Collective Worship provides opportunities for the whole school community to come together, reflect and connect with our core values of Love, Hope, Trust and Forgiveness. Worship includes opportunities for prayer, praise, reflection and learning about the teachings of Christ. Children are encouraged to participate in ways that are respectful of their own beliefs.

We also teach our students about different faiths so that they can appreciate varied beliefs and perspectives.

EXTRA-CURRICULAR

At John Keble we believe that providing a wide range of activities outside of the academic curriculum is vital to our pupils' development, allowing them to discover new interests and build their interpersonal skills.

We provide a range of clubs such as French, Tennis, Drama and Street dance, as well as wraparound care at Breakfast club and After School club.

PUPIL WELFARE

Pupil welfare is a key priority, and we are committed to ensuring that every child feels safe and supported.

We recognise that emotional well-being is just as important as physical well-being and helps children to develop emotional resilience. This allows them to regulate their emotions, solve problems, persevere when things are difficult, and seek help when they need it. These are all important skills that our pupils will need as they progress through their lives.

Through our pastoral care and support, we provide a positive and nurturing environment where children can thrive, grow in confidence and develop the skills needed to support their mental health and well-being.
